PINOT GRIS

20 LITER

The Pacific Northwest is renowned for its abundant wildlife and excellent agricultural conditions, especially for premium wine grapes. TIOR (pronounced tee-or), meaning "deer" in Old High German, is our tribute to all the great resources the region has to offer.

In Oregon, if Pinot Noir is King, then Pinot Gris is Queen! TIOR Pinot Gris is a great alternative to Chardonnay and the second most planted grape variety behind Pinot Noir in Oregon. Tropical fruit, peaches and pear aromas abound with this Pinot Gris style. Our TIOR Pinot Gris is blended from vineyards throughout the state, highlighting the consistency and quality from vintage to vintage.
